

FONTERRA FOODSERVICES

Who we are

- Fonterra Foodservices is a key part of the Australian-New Zealand strategic unit of global dairy supplier Fonterra.
- We offer a complete suite of dairy products and tailored solutions designed to meet the needs of foodservice professionals.
- Our extensive product range embraces cheese, UHT milk, butter, cream, yoghurt and even bakery products – all backed up by an uncompromised commitment to quality.
- Fonterra's commitment to quality begins with the raw milk used to make our products. All the farms which supply us must conform to strict quality parameters, and our own team of field officers conducts regular audits. Fonterra's production sites are required to comply with a quality management system embracing a comprehensive range of monitoring and audit processes, including ISO9000 independent certification, audits by regulatory agencies and major customers, and our own internal audit procedures.
- Our Brands include stars like Mainland, Bega, Western Star, Perfect Italiano, The PastryHouse and others
- We are known for creating the TOP QUALITY products that performing the ABSOLUTE BEST in your kitchen while minimising you wastage and labour cost -such as Shredded Egmont Cheese, Anchor cooking Cream, PastryHouse Croissants and Danish and more...
- We are proud sponsors of WA Golden Plate award as well as fully committed to chefs development programs nationally (check out the "Proud to be a chef" program on our website) and globally. We are also working together with some of the best known chefs of Australia and the world.
- Our products are stocked by all of WA quality foodservice distributors who supply dairy products
